

Project Charter: Judge Recruitment

The Judge Recruitment Project is tasked with developing and distributing recruitment materials that align with Judge Foundry's recruitment mission. Moreover, this project will be responsible for establishing and maintaining partnerships with individuals and communities to raise awareness of judging as a pathway.

The Judge Recruitment Project uses the common project structure. The project will be led by the Judge Recruitment Project Manager.

The duties of the Judge Recruitment Project Manager are:

- Define recruitment goals and strategies aligned with Judge Foundry's mission.
- Coordinate with tournament organizers and community leaders to identify recruitment opportunities.
- Develop and distribute promotional materials (pamphlets, flyers, online kits) to support local recruitment.
- Establish and maintain partnerships with content creators to raise awareness of judging as a pathway.
- Track and report on recruitment outcomes, including new judge engagement and retention metrics.
- Collaborate with other Judge Foundry projects to ensure consistent messaging and community support.
- Serve as the primary point of contact for Judge Recruitment initiatives.
